

Puzzles # 9

The Switch Riddle

There are three switches downstairs. Each corresponds to one of the three light bulbs in the attic. You can turn the switches on and off and leave them in any position.

How would you identify which switch corresponds to which light bulb, if you are only allowed one trip upstairs?

The Bear Riddle

A fellow encountered a bear in a wasteland. There was nobody else there. Both were frightened and ran away. Fellow to the north, bear to the west.

Suddenly the fellow stopped, aimed his gun to the south and shot the bear. What color was the bear?
