Word #22

Tramp Stamp

Tramp Stamp is a derogatory term referring to a **tattoo** which a woman places on her **lower back**. It is especially popular among women born in the late 70's, 80's, and even early 90's. Fair or unfair, these tattoos have a **socially constructed connotation** associated with them. These women are labeled as tramps, whores, or other **derogatory sexually promiscuous terms**.
