

George Orwell

Political language is
designed to make lies
sound *truthful* and
murder *respectable*.

George Orwell (1903-1950) was a British novelist famous for advocating **democratic socialism** in opposition to the totalitarian systems of his days. ***Homage to Catalonia*** (1938), ***Animal Farm*** (1945) and ***1984*** (1948) are among his most famous works.
