

Puzzle # 29

OCTOBER

The Hourglasses

Start both hourglasses. When the sand stops running in the 7-minute hourglass, turn it over. When the sand stops running in the 11-minute hourglass, turn the 7-minute hourglass over. When the sand stops in the 7-minute hourglass, 15 minutes will have elapsed.

T

The T
A teapot.

The Barrel

What can you put in a barrel which makes it lighter?

A Strange Calendar?

Where can you find August before July?
