

Song #31
Midlife Crisis
Faith No More

Go on and _____¹ my neck
Like when a rag gets wet
A little discipline
For my pet genius

My head is like lettuce
Go on and dig your _____² in
I cannot stop giving
I'm thirty-something

Sense of security
Like pockets _____³
Midlife crisis
Suck ingenuity
Down through the family tree

You're perfect, yes, it's true
But without me you're only you
Your menstruating heart
It ain't _____⁴ enough for two

It's a midlife crisis
It's a midlife crisis

What an inheritance
The salt and the kleenex

Morbid self attention
Bending my _____⁵ back

A little discipline
A donor by habit
A little discipline
Rent an opinion

Sense of security
Holding _____⁶ instrument
Midlife crisis
I'm a perfectionist
And perfect is a skinned knee

You're perfect, yes, it's true
But without me you're only you
Your menstruating heart
It ain't _____⁴ enough for two

It's a midlife crisis
It's a midlife crisis
