

Puzzle # 20

JANUARY

Two Doors

"If I ask the other guard which door leads to hell, what will be his answer?"
No matter which guard you ask, they'll point to the door that leads to heaven.

Eye
A needle.

The Wason Selection Task

Each of the cards above has a digit on one side and a letter on the other side. Which cards should you turn around to test the following statement: "when there is a vowel on one side of a card, then there is an even digit on the other side"?

Apples and Pears

There are three boxes of fruit: one box with apples, one box with pears, and one box with both apples and pears. The boxes have labels that describe the contents, but none of these labels is on the right box. How can you determine what each of the boxes contains, by taking only one piece of fruit from one box?
