Book #12

H. G. Wells

Two short stories that will give you **goosebumps**: a night spent grappling with the **fear of the unknown** and a sci-fi inspired tale about **possession**.

Both stories are authored by the master of the science fiction thrill, **H.G. Wells (1866-1946)**, author to *The Time Machine* (1895), *The Island of Dr. Moreau* (1896), *The Invisible Man* (1897) and *The War of the Worlds* (1898).

Two masterpieces to be enjoyed in solitary dark nights...
