## Song #18

### Rolling in the Deep

Adele

There's a fire starting in my heart  
Reaching a fever \_\_\_\_\_<sup>1</sup>, and it's bringing  
me out the dark  
Finally, I can see you crystal clear  
Go ahead and sell me out, and I'll lay your ship  
\_\_\_\_\_<sup>2</sup>  
See how I'll leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever \_\_\_\_\_<sup>1</sup>, and it's bringing  
me out the dark

The \_\_\_\_\_<sup>3</sup> of your love remind me of us  
They keep me thinking that we almost  
had it all  
The \_\_\_\_\_<sup>3</sup> of your love, they leave me  
breathless  
I can't help feeling

We could have had it all  
(You're gonna wish you never had met me)  
Rolling in the deep  
(Tears are gonna fall, rolling in the deep)  
You had my heart inside of your hand  
(You're gonna wish you never had met me)  
And you played it to the beat  
(Tears are gonna fall, rolling in the deep)

Baby, I have no \_\_\_\_\_<sup>4</sup> to be told  
But I've heard one on you  
Now I'm gonna make your head burn  
Think of me in the \_\_\_\_\_<sup>5</sup> of your despair  
Make a home down there  
As mine sure won't be shared

(You're gonna wish you never had met me)  
The \_\_\_\_\_<sup>3</sup> of your love remind me of us  
(Tears are gonna fall, rolling in the deep)  
They keep me thinking that we almost had it all  
(You're gonna wish you never had met me)  
The \_\_\_\_\_<sup>3</sup> of your love, they leave me  
\_\_\_\_\_<sup>6</sup>  
(Tears are gonna fall, rolling in the deep)  
I can't help feeling

We could have had it all  
(You're gonna wish you never had met me)  
Rolling in the deep  
(Tears are gonna fall, rolling in the deep)  
You had my heart inside of your hand  
(You're gonna wish you never had met me)  
And you played it to the beat  
(Tears are gonna fall, rolling in the deep)  
Could have had it all  
Rolling in the deep  
You had my heart inside of your hand  
But you played it with a beating

listen to the  
song.

\_\_\_\_\_<sup>7</sup> your soul through every open door  
Count your blessings to find what you look for  
Turn my \_\_\_\_\_<sup>8</sup> into \_\_\_\_\_<sup>9</sup> gold  
You'll pay me back in kind and reap just  
what you \_\_\_\_\_<sup>10</sup>

(You're gonna wish you never had met me)  
We could have had it all  
(Tears are gonna fall, rolling in the deep)  
We could have had it all  
(You're gonna wish you never had met me)  
It all, it all, it all  
(Tears are gonna fall, rolling in the deep)

We could have had it all  
(You're gonna wish you never had met me)  
Rolling in the deep  
(Tears are gonna fall, rolling in the deep)  
You had my heart inside of your hand  
(You're gonna wish you never had met me)  
And you played it to the beat  
(Tears are gonna fall, rolling in the deep)

We could have had it all  
(You're gonna wish you never had met me)  
Rolling in the deep  
(Tears are gonna fall, rolling in the deep)  
You had my heart inside of your hand  
(You're gonna wish you never had met me)  
But you played it  
You played it [x2]  
You played it to the beat
