

**Book #4**  
**Northanger Abbey**  
by Jane Austen (1818)

Unlike her best-known novels (*Pride & Prejudice*, *Sense & Sensibility* and *Persuasion*), *Northanger Abbey* is NOT a novel of manners, but a clever and witty **parody of the Gothic novel** – which was all the rage in Austen's time. Austen makes fun of the ***Fifty Shades of Greys*** and the ***Twilights*** of her own time in an **hilarious** and **witty** style based on the uninterrupted **breaking of the fourth wall\***.
