"Part of the *beauty* of me is that **I am very rich.**"

"I have a **great relationship** with **the blacks.**"

"With the **proper woman** **you don't need Viagra**"

"**Bing bing, bong bong, bing bing bing**"

"**I did try** and **fuck her.** [...] **I moved on her like a bitch,** but **I couldn't get there.** And **she was married.**"

"**She does have** a **very nice figure.** I've said that if **Ivanka weren't my daughter,** perhaps **I'd be dating her.**"

"I've gotta use some Tic Tacs, **just in case I start kissing her.** You know, I'm automatically attracted to beautiful — **I just start kissing them.** It's like a magnet. Just kiss. **I don't even wait.** And, **when you're a star, they let you do it. You can do anything... Grab them by the pussy. You can do anything.**"

Meet Donald J. Trump, the 45th President of the United States. The number of insults based on gender, race and class that Trump has lavished on anybody in the public spotlight is hardly quantifiable as well as believable.

If you were curious to know what kind of man Trump is, well, **his words speak for themselves.**
