

APRIL

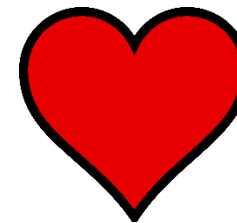

The Chain

First, break open all three links of one of the pieces of chain. Then join the remaining four pieces of chain with the three open links. The total cost is 12€.

Birthday Cuts

Cut the cake twice vertically in a '+' shape across the top and make the third cut horizontally in the middle of the cake.

The Heart

What has a heart but no other organs?

The More You Take...

The more you take, the more you leave behind.
What am I?
